SUMMARY

Creative Front-End Developer with 2+ years of experience building responsive, intuitive websites using HTML5, CSS3, JavaScript, jQuery, React.js, Next.js, WordPress (Front-End) and modern web technologies. Skilled in translating UI/UX designs into clean, maintainable code and collaborating in Agile teams to deliver high-quality user experiences.

PROFESSIONAL EXPERIENCE

Front-End Developer, Zainik Lab

Feb 2026 - April 2026

- Developed and maintained user-friendly web applications using HTML, CSS, jQuery, JavaScript, React.js, and Next.js.
- Implementing complex **web animations** using GSAP and CSS to create interactive, engaging user interfaces.
- Expanding design capabilities by building and prototyping sites within the **Framer** ecosystem, bridging the gap between design and production-ready code.

Front-End Developer, AppsInception

Feb 2023 - August 2025

- Developed and maintained user-friendly web applications using HTML, CSS, jQuery, JavaScript, React.js, and Next.js.
- Collaborated with design and product teams to build and launch over 10 responsive and functional websites, ensuring both aesthetic and performance standards.
- Maintained regular communication with team members to ensure alignment on goals and deliverables, contributing to successful and timely outcomes.
- Began learning Flutter and supported the mobile app team by contributing to UI design and implementation, improving user experience and design consistency across platforms.

EDUCATION

Diploma Engineer in Electrical

2014-2018

Desh Polytechnic College.
