## SUMMARY

Creative Front-End Developer with 2+ years of experience building responsive, intuitive websites using HTML5, CSS3, JavaScript, jQuery, React.js, Next.js, WordPress (Front-End) and modern web technologies. Skilled in translating UI/UX designs into clean, maintainable code and collaborating in Agile teams to deliver high-quality user experiences.

## KEY COMPETENCIES

Building responsive and mobile-first web applications.  
Translating UI/UX designs into functional front-end interfaces.  
Debugging, testing, and optimizing website performance.

Continuous learning and adapting to new technologies.  
Strong client communication and requirement analysis.  
Agile/Scrum collaboration with cross-functional teams.

## PROFESSIONAL EXPERIENCE

### AppsInception

August 2023 - August 2025

#### Front-End Developer

- Developed and maintained user-friendly web applications using HTML, CSS, jQuery, JavaScript, React.js, and Next.js.
- Collaborated with design and product teams to build and launch over 10 responsive and functional websites, ensuring both aesthetic and performance standards.
- Maintained regular communication with team members to ensure alignment on goals and deliverables, contributing to successful and timely outcomes.
- Began learning Flutter and supported the mobile app team by contributing to UI design and implementation, improving user experience and design consistency across platforms.

### AppsInception

Jan 2022 - Aug 2023

#### Front-End Developer Intern

- Assisted with front-end development using HTML, CSS, and JavaScript.
- Helped create responsive layouts and improve user interfaces for better usability.
- Gained practical experience working in an Agile environment, collaborating with cross-functional teams on active projects.
- Contributed to debugging and testing, ensuring application quality.
